Rational for Proposal
Currently, the University of La Verne does not have a policy limiting the period of time during which students may submit an appeal for an exception to university policy. Due to the fact that there are a number of appeals submitted requesting retroactive processing, the Appeals Committees are requesting a Statute of Limitations policy statement. In some cases the appeal requests are very dated. Faculty may no longer be available to support the appeal or may not have the supporting records necessary for the appropriate committee to make an informed decision. Exceptions to this policy will not be considered unless there are extenuating circumstances accompanied by the supporting documentation.

- All appeals must be submitted in a timely manner to be considered. Appeals requesting an action affecting registration or grades for a previous term will be accepted as follows:
  - Retroactive Registration, Add, or Drop for a previous Semester/Term:
    - All requests in reference to a Registration, Add, or Drop for a previous semester/term must be submitted with all supporting documentation within one (1) calendar year from the end of the semester/term being appealed.
    - Exceptions may include appeals for retroactive Continuous Enrollments. Continuous Enrollment appeals will be considered on a case by case basis.
  - Retroactive Withdrawals for a previous Semester/Term
    - All requests in reference to a retroactive withdrawal for a course in a previous semester/term must be submitted with all supporting documentation within one (1) calendar year of the ending date of the semester/term being appealed.
  - Appeals for Extension of Time to Complete expired Grades:
    - Appeals to request an extension of time to complete an expired INC/IP must be submitted (1) calendar year from the end of the semester/term the grade expired.

Undergraduate Appeals requesting an Extension of Time to Complete Degree Requirements:

- Appeals for an extension of time to complete degrees submitted by undergraduate students will be considered if the following conditions have been met:
  - The student applied for graduation prior to the time he/she last attended the University
