We are delighted that you have chosen to attend the University of La Verne. To assist you, we are offering this guide that will walk you through the necessary steps for setting up all of your financial arrangements. The term “Financial Arrangements” refers to the manner in which you pay for your educational costs at the University. The most common financial arrangements are 1) payment in full, 2) enrolling in a payment plan or, 3) accepting and completing all the necessary requirements for financial aid. If you have financial aid, but are not fully covered, please be sure to pay the remaining balance in full or enroll in the payment plan one week prior to the start of the semester. If you have questions or would like to schedule an appointment regarding your account, please contact the Office of Student Accounts at 1-888-STU-BILL or send an email to stuaccts@laverne.edu.
